

TICC 2023 Taiwan International Conference on Catalysis

The 2023 Taiwan International Conference on Catalysis (TICC-2023) & The 40th Taiwan Symposium on Catalysis and Reaction Engineering (40th TSCRE) 2023台灣國際催化研討會暨第四十屆台灣觸媒及反應工程研討會與國科會專題研究計畫成果發表會 will be held in Tainan, Taiwan, on June 28-30, 2023.

TOPIC

- A · Biocatalysis 生物催化
- B · Electrocatalysis 電催化
- C · Photocatalysis 光催化
- D · Photoelectrocatalysis 光電催化
- E · Thermocatalysis 熱催化
- F · Computational Catalysis 計算催化
- G · Porous Materials 孔洞材料
- H · Reaction Engineering and Industrial Applications
反應工程及產業應用

Abstract Submission
Deadline May 05, 2023

Early Bird Registration
Deadline May 17, 2023

Online Registration Deadline
May 31, 2023

Dates: June 28-30, 2023

Place: Department of Chemical Engineering,
National Cheng Kung University, Tainan, Taiwan

Organizer : Catalysis Society of Taiwan

Co-organizers : National Cheng Kung University; National Science and Technology Council;
Department of Chemical Engineering, NCKU.
